11 days · 10 nights · 8 walking stages

THE JOURNEY

Sea. Camino. Spirituality.

Our pilgrimage begins in the Galician coastal town of A Guarda. From here we follow the Camino Portugués along the Atlantic, passing small fishing villages, beaches and the beautiful landscapes of the Rías Baixas.

One of the highlights is our day on the Cíes Islands. Afterwards, the Spiritual Variant takes us through the enchanting fishing village of Combarro and the Monastery of Armenteira, following quieter paths through green Galicia.

On the historic Traslatio route we travel by boat through the Ría de Arousa, following the tradition of the Apostle St James. Our shared destination: Santiago de Compostela.
